INDIANAPOLIS, IND. – Adayana, a global learning, management consulting, and human performance technology company, was named to the nation's Top 20 Training Outsourcing Companies by TrainingIndustry.com for the fifth consecutive year.

“We understand our clients’ needs and provide services to help them meet and exceed their organizational goals more effectively and efficiently,” said Mike Jackson, President and CEO. “Being featured on this list for the fifth consecutive year is not only an honor, but it reinforces our position as a leading player in our industry.”

Adayana has remained on the Top 20 list each year since 2006.

TrainingIndustry.com (formerly Training Industry, Inc.) selects the list based on the breadth and quality of training services provided; industry visibility, innovation, and impact; commitment to the training outsourcing industry; strength of clients; geographic reach; experience in serving the market; and company size and growth potential.

About TrainingIndustry.com

TrainingIndustry.com is the world’s leading portal for searching and accessing information about the training industry. With cutting-edge information organized and aggregated into several learning communities, TrainingIndustry.com spotlights the latest news, articles, case studies, best practices, and product and supplier information from and about the training industry.
